## NCKU-PITT Conference

### *Point-of-care Developments for Sleep Disorder Breathing*

Date: February 22, 2017 (Wed)

Place: Conference Room 400, 4th floor, Outpatient Building, NCKU Hospital

Time	Topic	Speaker	Moderator
08:00-08:25	Registration		
08:25-08:30	Opening	Prof. Yang Chyun-Yu Superintendent of NCKUH	
<b>Novel advancement in Sleep disorder breathing</b>			
08:30-09:20	<b>Bioengineering Approach to Sleep Medicine</b>	Prof. Mingui Sun University of Pittsburgh	Prof. Fong-Chin Su National Cheng Kung University
09:20-09:30	Coffee break		
09:30-10:20	<b>Upper Airway Stimulation for the Treatment of OSA</b>	Prof. Patrick J. Strollo Jr. University of Pittsburgh	Prof. Hsueh-Yu Li Chang Gung University
10:20-10:30	Coffee break		
10:30-11:30	<b>Sleep disorder in HIV POSITIVE Patients</b>	Prof. Nai-Ying Ko National Cheng Kung University	Prof. Wen-Chien Ko National Cheng Kung University
11:30-13:00	Lunch		
<b>Radiology Medicine and Precision Medicine in sleep disorder breathing</b>			
13:00-14:00	<b>New Practice Model: Integrating Radiology into Thoracic Surgery and Pulmonary Medicine</b>	Prof. Diane C. Strollo University of Pittsburgh	Prof. Li-Li Cheng National Cheng Kung University
14:00-15:00	<b>Precision Medicine and Translational Research In Sleep Medicine: Phenotyping, Biobanking and Omics</b>	Prof. Yingze Zhang University of Pittsburgh	Prof. Chang-Wen Chen National Cheng Kung University
15:00-15:10	Coffee break		
<b>Wire-able device applied and health care in Sleep disorder breathing</b>			
15:10-15:50	<b>Wearable technology applications in educational and medical fields</b>	Prof. Jeen-Shing Wang National Cheng Kung University	Prof. Chung-Yao Hsu Kaohsiung Medical University
15:50-16:30	<b>What's the Role of TransOral Robotic Surgery for OSA treatment?</b>	Prof. Cheng-Yu Lin National Cheng Kung University	Prof. Jiunn-Liang Wu National Cheng Kung University
16:30	Closing
